Ascension Day

Ascension Day is the Christian celebration of Jesus rising into Heaven after He had spent 40 days on Earth after the Resurrection. Ascension Day is celebrated forty days after Easter Sunday on Ascension Thursday. This date is also ten days before the celebration of the Pentecost. The Christian belief is that after Jesus died on the cross on Good Friday, He rose from the dead on Easter Sunday. Jesus then walked the Earth among His followers for forty days, continually teaching about the Kingdom of Heaven. The fortieth day, Jesus was eating, drinking and speaking among His followers. At this time, Jesus had "commanded" His disciples "that they should not depart from Jerusalem, but should wait for the promise of the Father, which you have heard (saith he) by my mouth." After all was spoken to His followers, Acts 1:9 states "And when he had said these things, while they looked on, he was raised up: and a cloud received him out of their sight." According to the New Testament, the event of the Ascension occurred on Mount Olivet (Mount of Olives). The reading of Acts 1:12 states "Then they returned to Jerusalem from the mount that is called Olivet, which is nigh Jerusalem, within a Sabbath day's journey."

Another mention of the Ascension occurs in the Gospel of St. Luke 24:50-51. The verses state "And he led them out as far as Bethania: and lifting up his hands, he blessed them. And it came to pass, whilst he blessed them he departed from them, and was carried up to heaven." St. Mark also mentions the Ascension of Jesus in Chapter 16:19 stating "And the Lord Jesus, after he had spoken to them, was taken up into heaven and sitteth on the right hand of God."

Glynis gave an emotional account of her reunion with 'a baby' who she had given up for adoption thirty nine years ago. Her son contacted her to ask if she was, in fact, his mother, and the happy story continues! Glynis discovered her son and his partner have a young daughter and they are all now making up for lost time by meeting as often as they can.

The next meeting is on **June 6th**, when **Karen Wagg**, from the ERYC will be urging us to recycle our rubbish and unwanted items and showing us how!

On **July 4th**, **Paul Schofield** will lead a short walk through the centre of Beverley, revealing information about the history of some of the buildings and other facts of interest. Paul has thirty years experience of leading tours around old Hull and revealed his extensive knowledge when he spoke to us in 2017.
